

Chief data officer
Times Higher Education

Yes, you are correct. Participation in the Times Higher Education World University Rankings is free of charge. There are no costs or fees required to participate in the ranking process. Institutions interested in being considered for the rankings need to submit their data through the online Data Collection Portal. While there is no financial cost to participate, it is suggested that there may be a cost in terms of missed opportunities for showcasing your institution if you choose not to participate.

The publicly available data is made easy to copy and paste from the website table: <https://www.timeshighereducation.com/world-university-rankings/latest/world-ranking>. However, if you require more data and analysis, please email data@timeshighereducation.com.
