How to apply

Application options can vary, depending upon your situation and your chosen pathway.

Become an ECU student in 6 steps

Choose your course.

1

Check entry requirements.

2

Check the application date.

3

Apply for a scholarship.

4

Have your paperwork ready.

5

What pathway can you take into ECU?

If you don't have an ATAR, or you do but got a lower ATAR than expected, you still have pathway options into university courses.

For some of these pathways, you may need to have completed WACE.

“I'd been out of school for a long time but UniPrep gave me the skills to write essays, research and manage my time effectively.”

Kelly Vestby
ECU UniPrep graduate and Nursing student
