

Prepare for your international Bachelor's degree

The International Foundation Year (IFY) prepares for a successful higher education journey by living & learning on our international campus. The one-year academic preparatory program allows you to explore different fields of study, qualify for an international degree program, strengthen personal and academic skills, and boost your academic English.

Qualification pathway
Qualify for a specific field of study

Orientation pathway
Explore a variety of subjects

Find the right pathway for you: constructor.university/ify

Core modules

The core modules are integral parts of the IFY program. They are designed to provide students with basic interdisciplinary knowledge to enhance their academic and personal skills.

Subject areas

Through a combination of core modules and subject-specific study,

Educating global talents to make a difference

Constructor University attracts highly talented and open-minded students from all over the world. As a private, English-speaking university, we offer the highest standards in research and teaching. Students of the International Foundation Year live and learn on Constructor University's campus in Bremen, where they benefit from a full package of services from accommodation, food and leisure activities on campus, as well as a broad range of personal, academic and professional counseling ser-
